Poster Guidelines

► POSTER PRESENTATION

Poster viewings will be held from Sunday, 9 September to Wednesday, 12 September 2018 in Hall I/II of the Euskalduna Conference Centre.

These sessions offer an effective forum for the exchange of information and a means to communicate ideas, research, and programmes. Poster authors are required to be available for questions and further information at their poster board **during the morning session break (09:30 – 10:30)**.

At this congress, posters will be grouped by topic for the convenience of those attending the sessions. Posters will be changed daily and are on display for the entire day of the respective poster session. They will be sorted by topic and will be numbered within the respective topic.

As an example; Poster Session Dermatopathology PS-11-005: ► PS = poster, 11 = session, 005 = abstract

The poster exhibition is open to all conference delegates on

Sunday, 9 September 2018	from 09:00 to 17:00
Monday, 10 September 2018	from 09:00 to 17:00
Tuesday, 11 September 2018	from 09:00 to 17:00

Posters that have not been taken off at 18:00 will be disposed of.

► POSTER FORMAT

The entire poster can have a maximum size of 190 cm high x 95 cm wide (portrait style, see image). The poster does not necessarily have to fill the entire working area.

Material for attaching the posters to the poster walls is available at the poster counter in the poster area.

For the font of your poster, it is recommended to use large, semi-bold letters, at least 5 mm high. The text should be easily legible from a distance of 2 - 3 m.

Poster authors are requested to disclose potential conflicts of interest regarding the poster presentation at the bottom of their poster. This will allow the audience to take potential conflicts of interest into account when assessing the objectivity of the poster.

Our staff at the poster counter in Hall I/II of the Euskalduna Conference Centre will be happy to answer any questions you might have.

► OPTIONAL E-POSTER UPLOAD

IN ADDITION to the presentation of their physical poster(s) all abstract authors with their registration fee paid have been invited by our supplier Morressier to hand in a digital version of their poster (E-Poster).

Please keep in mind that the E-Poster upload is an additional opportunity. It does not replace the presentation of the physical poster.
